### **Workers at Nidec Motor Corporation eligible for federal assistance**

INDIANAPOLIS – The Indiana Department of Workforce Development (DWD) today announced a ruling by the U.S. Department of Labor (DOL) that certain employees of Nidec Motor Corporation and on-site leased workers from Manpower, in Frankfort, are eligible to receive services under the federal Trade Adjustment Assistance (TAA) program.

The TAA program is made available to workers who are displaced due to foreign imports or shifts in production out of the country.

The federal ruling was issued on June 20, 2011 and applies to Nidec workers totally or partially separated from employment on or after October 28, 2010 and to leased Manpower workers working on-site who totally or partially separated from employment on or after May 26, 2010 through two years from the date of certification. The workers produced electro-mechanical timers for clothes washers and component parts for automobile switches, driers and dishwashers.

The TAA program provides benefits to help unemployed workers prepare for and obtain suitable employment. They may be eligible for a variety of re-employment services, job search and relocation allowances and training. In addition, weekly trade re-adjustment allowances may be payable to eligible workers following the exhaustion of unemployment insurance benefits.

If DOL finds that a significant number of workers at the company age 50 or over possess skills that are not easily transferable and that competitive conditions within the industry are adverse, the workers may be eligible for Alternative Trade Adjustment Assistance (ATAA). If the company is certified, older workers may choose between regular TAA benefits or a wage subsidy of 50 percent of the difference between their new salary and old salary, up to \$10,000. The determination will be made in the coming weeks and will be posted online at [www.doleta.gov/tradeact/taa/taa\\_search.cfm](http://www.doleta.gov/tradeact/taa/taa_search.cfm). Enter the certification number TA-W-80,1205 for Nidec workers or TA-W-80.205A for Manpower workers.

Eligible workers may obtain information at their local WorkOne center. A listing of all of the centers can be found at [www.workoneworks.com](http://www.workoneworks.com).
