### **Workers at Bollhuff Rivnut, Inc. eligible for federal assistance**

INDIANAPOLIS (Sept. 18, 2009) – The Indiana Department of Workforce Development (DWD) today announced a ruling by the U.S. Department of Labor (DOL) that certain employees of Bollhuff Rivnut, Inc. in Kendallville, are eligible to receive services under the federal Trade Adjustment Assistance (TAA) program.

The TAA program is made available to workers who are displaced due to foreign imports or shifts in production out of the country.

The federal ruling was issued on September 3, 2009 and applies to workers totally or partially separated from employment on or after July 21, 2008 through two years from the date of certification. The workers are engaged in the production of blind threaded fasteners.

The TAA program provides benefits to help unemployed workers prepare for and obtain suitable employment. They may be eligible for a variety of re-employment services, job search and relocation allowances and training. In addition, weekly trade re-adjustment allowances may be payable to eligible workers following the exhaustion of employment insurance benefits.

Eligible workers may obtain information at their local WorkOne center. A listing of all of the centers can be found at <http://workoneworks.com>.
