RE: WARN Notice

Dear Mayor Paris and Indiana Department of Workforce Development:

This letter is notice under the federal Worker Adjustment and Retraining Notification Act (WARN) that Best Buy is ceasing operations at 2001 Commerce Parkway in Franklin, Indiana 46131. Those operations will be integrated into other parts of Best Buy and will result in a plant closing.

The facility is expected to close by end of January 2012 resulting in the termination of 223 employees. We provided original notice of the first round of layoffs last May. All employees may apply for other positions in the Company.

You may contact me at (317) 736-1075 or Sean Rahn (Senior Manager, Government Relations at 612.291.4496) for further information.

Sincerely,

John Gentszkow
Director
Best Buy
