To Whom It May Concern:

As you know, on October 13, 2011, Fortis Plastics, LLC ("Fortis") provided you with notice that, due to the potential loss of its credit line, Fortis would be forced to fully and permanently close its Corporate Office, located at 3615 Voorde Drive, South Bend, Indiana 46628, during the fourteen (14) day period between November 28, 2011 and December 11, 2011. This notice stated that seventeen (17) employees, including three (3) temporary employees, were currently working at the Corporate Office.

The purpose of this letter is to provide you with an update regarding the closing of the Corporate Office.

Since its first notice to you, Fortis has determined that it will be forced to begin its permanent shut-down of its Corporate Office faster than was previously anticipated. There remain seventeen (17) employees, including three (3) temporary employees, working at the Corporate Office. Four (4) of these employees will be terminated on November 4, 2011. The remaining employees will be separated during the fourteen (14) day period between November 28, 2011 and December 11, 2011, when the Corporate Office will fully and permanently discontinue operations.
