RE: Loss of Marsh Business; Closure of Indianapolis Haulage Warehouse Operations -  
Extension Notice

DATE: September 20, 2016

VIA: E-mail/Fax and USPS Express Mail Delivery

On July 15, 2016 and September 20, 2016 Indianapolis Haulage LLC (the "Company") provided you with notice (the "Prior WARN Notices") of Marsh Supermarkets, Inc.'s July 5, 2016 notice of its decision not to renew its distribution and supply agreement with the Company's parent company, C&S Wholesale Grocers, Inc., which expired on September 24, 2016. At that time, the Company also explained that it expects this loss of business to result in the permanent closure of the warehouse operations located at 2801 S. Marsh Avenue, Yorktown, IN 46936 and 333 S. Franklin Road, Indianapolis, IN 46129 (the "Indianapolis Facilities") and the permanent layoff of all employees at the Indianapolis Facilities. At that time, we used the best information available regarding positions to be impacted and the timing of the closure. We now have additional information regarding the closure and timing of position eliminations.

Accordingly, and in keeping with the Prior WARN Notices sent pursuant to any possible obligation under the federal Worker Adjustment and Retraining Notification Act (the "WARN Act"), the

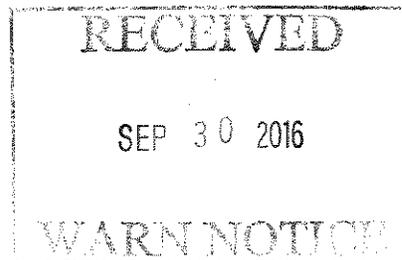

Company is providing this extension notice regarding certain employees affected by the closure of the Indianapolis Facilities.

As described in the Prior WARN Notices, we anticipate that the closure of the Indianapolis Facilities will result in a permanent loss of employment for affected employees during various periods between September 16, 2016 and October 22, 2016. However, the Company is extending certain employees' separation dates for the reasons explained below. The employees affected by this extension notice were informed in the Prior WARN Notices that their employment would permanently terminate during the 14-day period of September 16, 2016 to September 29, 2016. These extended termination dates are due to operational needs of the business in association with the closure, that is, to engage in activities related to the clean out of the Indianapolis Facilities. As a result, certain employees will now be terminated during the 14-day periods set forth in the attached list, which is incorporated herein by reference.

Attached at Exhibit A is a list of all affected positions, the number of affected employees in each job classification, and the schedule in which it is currently anticipated that the permanent separations will occur. Where a position is represented by a collective bargaining representative, it is so noted on the attached list. The titles of those employees affected by this extension are bolded in Exhibit A. The chief elected officer of the International Brotherhood of Teamsters, Local 135 ("IBT Local 135") is Danny Barton, President, Teamsters Local 135, 1233 Shelby Street, Indianapolis, IN 46203.

Mechanics and helpers represented by IBT Local 135 have bumping rights pursuant to the Collective Bargaining Agreement. There are limited bumping rights available to spotters represented by IBT Local 135 in specific situations. No bumping rights apply for non-unionized employees.

This notice is given based upon the best information available to the Company at this time. If you have questions or desire any further information, you may contact Neresa De Biasi, Associate Attorney, Labor & Employment, via telephone at (603) 354-7350, or at the following address: 10 Optical Avenue, Keene, NH 03431.
