Re: WARN Act Notice

Dear Mr. Kinder:

The federal Worker Adjustment and Retraining Notification Act ("WARN") requires that notice of certain mass layoffs and plant closings be provided to employees affected by these events, as well as certain government entities and officials. The purpose of this letter is to advise you that Tree.Com, Inc. will close its office located at 11595 North Meridian, Carmel, IN 46032 during the 14-day period beginning on August 3, 2011 and ending on August 16, 2011. All of the 64 employees who currently work at this office will be laid off during this 14-day period. A few of those employees may be offered transfers to another Lendingtree.com office.

If you or your staff have any questions or require any additional information, please feel free to contact me at 704-943-8318.

Very truly yours,

Claudette Hampton
