RE: WARN Notice

Pursuant to the Worker Adjustment and Retraining Notification Act (WARN), the Company is providing to you, as the local workforce representative, a sixty day notice that the GE Large Order Center, located at 1736 Lammers Pike, Batesville, IN will experience a plant (site) closing. The closure will result in a permanent termination of the listed positions; however, employees will be entitled to plant closing benefits depending upon their eligibility status. Unless both parties have mutually agreed to a voluntary early out, the employees last day will be January 23, 2015. A list of positions and the number of employees impacted employees can be found in Attachment A. If you have questions or concerns, please feel free to contact me.

Sincerely,

Tammy Price
