To Whom It May Concern:

Hologic, Inc. ["Company"] has developed plans to restructure certain operations at the facility located at 6100 Technology Center Drive in Indianapolis, Indiana. In keeping with these plans, the first employment separations are expected to be effective on or about March 29, 2013. These plans, when finalized, would be permanent and result in closure of the entire facility.

At this time, the Company anticipates that a group of affected employees will be laid off or have their employment terminated on March 29, 2013; May 3, 2013; May 31, 2013 and June 28, 2013 or during the 14-day period that begin on these dates. A list of job titles and the number of employees currently holding affected positions accompanies this letter as Attachment A. This letter is based on the best information currently available. You will be informed of any changes or as additional information becomes available. Bumping arrangements are not available for affected employees. There is no union representation involved.

To the extent that these plans involve a covered event under state or federal notice laws, this letter is intended to fulfill any requirements under those laws. By providing this information, however, the Company does not concede that such laws apply or that notice is required.

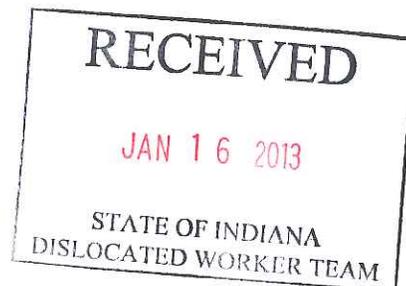

If you have any questions, please contact Lisa Hennigar at 781-999-7352.

Sincerely,

David J. Brady
Sr. Vice President, Human Resources
