### CORRECTED WITH UPDATED LINK THAT NOW INCLUDES AN AGENDA AND .PDF OF SEA 412

**What:** The Indiana Utility Regulatory Commission will be holding a rule development workshop for the Integrated Resource Plan (IRP) – Energy Efficiency Plan (EEP) rulemaking (IURC RM #15-06). This workshop is a result of the Governor's Senate Enrolled Act 412 passed during the 2015 legislative session.

**When:** July 30, 2015, 2:00 p.m. to 4:30 p.m.

**Where:** Indiana Government Center South, Auditorium, 302 W. Washington Street, Indianapolis, Indiana.

**Why:** The subject matter of this rulemaking (IURC RM #15-06) amends 170 IAC 4-7 to update the commission's rule requiring electric utilities to prepare and submit integrated resource plans. In addition, this rulemaking will add a new rule regarding energy efficiency plans.

**Instructions to Public:** To register for this event, please click [here](#).

Please come prepared to provide input into the issues that you think should be addressed by the IRP-EEP rule. Additional opportunities will be available to provide written and oral comments as we move through the rule development and rulemaking process, which you can follow on our website at <http://in.gov/iurc/2842.htm>.

**Live Stream Available:** In an effort to make the event available for more people, the Indiana Utility Regulatory Commission has also arranged for the workshop to be live streamed and will be available at: <http://www.webinar.in.gov/urc/> on the day of the event. Should you be unable to attend, please feel free to tune in to the live stream. Please be aware that those viewing the live stream will not be able to interface with attendees of the workshop through the live stream tool.

---

### About the Indiana Utility Regulatory Commission (IURC)

The IURC is a fact-finding body that hears evidence in cases filed before it and makes decisions based on the evidence presented in those cases. An advocate of neither the public nor the utilities, the IURC is required by state statute to make decisions that balance the interests of all parties to ensure the utilities provide safe and reliable service at just and reasonable rates. For more information, please visit [www.in.gov/iurc](http://www.in.gov/iurc).
